Department: Computer Science & Engineering

Academic Year: 2017-18

Name of the faculty: T. Anitha

Designation: Assistant professor

Course name with code number	Regulation	Suggestions
Object oriented programming with C++ lab (CSE 128)	R15 (Autonomous)	There are more topics included in each experiment, which is difficult for the students to understand.
Number of times subject taught: 02		

The inheritance, polymorphism & also of constructors merged in a single experiment. It's better we mention them separately if they can provide the experiment with combination topics.

are mixed together better to be if they
