(1) Chapter/ Student Branch Name – ANITS Student Branch

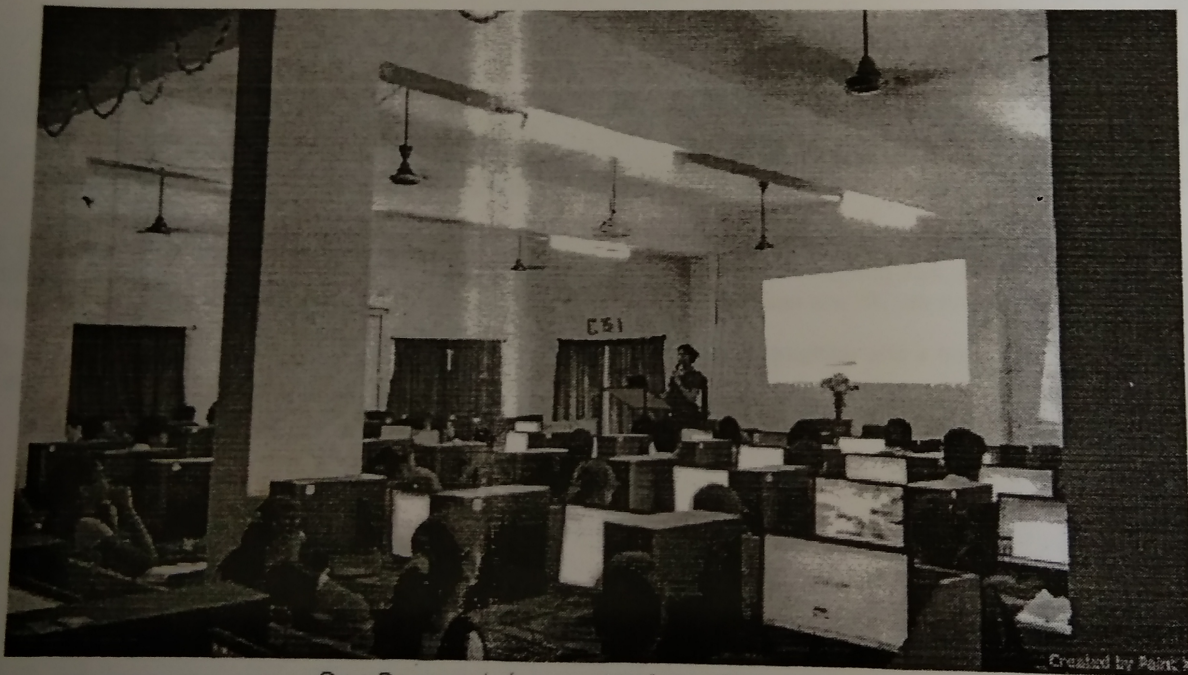

(2) Region – V

(3) Event – One day workshop on web designing tools

(4) Speaker – Ms. Pritee Parwekar, Assistant Professor and Mr. V Srinivas Raju, Assistant Professor both from Department of CSE, ANITS

(5) Gist of the Event

A one day workshop was conducted on Web designing tools on 9th of July, 2016. Ms. Pritee Parwekar and Mr. V Srinivas Raju, the speakers of this workshop have dealt with the necessary for a web development like different technologies and languages like HTML, CSS, PHP and database management system like MySQL. Around 60 students have participated in this workshop and all were given a hands on training on the above said topics. This workshop has been completely interactive and got a good feed back from the participants.

Robotics and Research Scope

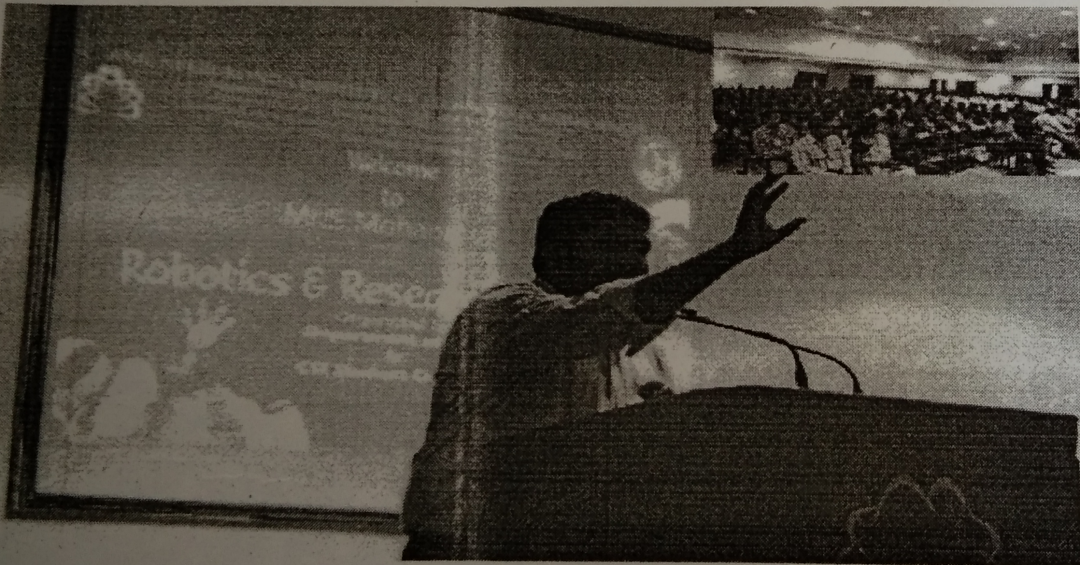

ANNEXURE - 10

A seminar on "Robotics and Research Scope" was organised by Department of CSE in association with ANITS CSI student Branch on 22nd July 2016. The programme was inaugurated by Prof.T.V.Hanumantha Rao, Principal, ANITS and was presided over by Dr. S.C.Satapathy, Prof & HOD, Department of CSE. The resource person is Sri Sakhyasingha Mohapatra, Founder and CEO, SakRobotix lab Pvt., Ltd., Bhubaneswar with his team.

Mr. Sakhyasingha Mohapatra has 11 years of IT experience in system analysis and data processing on Mainframe systems. He is AHM certified professional and has expertise in various programming languages like COBOL, JCL, DB2, CICS, IMS, VSAM Japanese Language Proficiency Test(JLPT)-Level 3, Business Japanese Proficiency Test(JETRO)-Level 3 and DB2700.

Mr. Mohapatra in his morning session emphasised on the importance of Robotics, the structure and design of robots, their specifications, requirements, mechanisms of robotics, classification of robotic systems, control and signal joint of robots, their motion, and implementation of various control algorithms. He stressed on the novel and unique applications of robotics to maintain a first rate research program across public and private sectors as well as to involve in researches and laboratories in collaborative efforts with the leaders in the field wherever they may be in the world. He elaborated on the career options in various fields of engineering such as mechanical, electrical, electronics and computer science.

Afternoon session comprised on hands-on working with robotic equipment in an interactive manner in which students took part very enthusiastically. Mr. Mohapatra encouraged the students to learn and earn which will be beneficial for their career. Around 300 students have attended this workshop.

A 2-DAY WORKSHOP ON "SOFTWARE TESTING"

" A two-day workshop on "Software Testing" was organised by Department of CSE and CSI-Student Branch from 14-09-2016 to 15-09-2016 for all the B.Tech and M.Tech students.

During the first day of the workshop Prof. M.L.Saikumar emphasised on the importance of testing, problem solving techniques, win-95 testing data, differences between creativity and innovation, differences between verification and validation, Service Level Agreements, Code generation algorithms, types of errors , types of walkthroughs and many more. He motivated the students by presenting various motivational videos and quoting several examples. He also made the participants to the work on several examples.

The second day of the workshop comprised of various testing strategies and techniques. Prof .M.L.Saikumar elaborated on types of testing such as alpha testing, beta testing, unit testing, integrity testing, acceptance testing, system testing, black box testing, white box testing, effects of faulty software, types of faults, failures, and debugging and test cases. He also stressed on types of security testing techniques, stress testing techniques, performance testing objectives and technologies. He elucidated the differences between programmers, designers and testers. He elaborated on the career options in various fields for computer science engineering graduates. The speaker urged the students to pursue their research in a deterministic manner .

DEPARTMENT OF COMPUTER SCIENCE & ENGINEERING

WORKSHOP ON "MEANSTACK SOFTWARE BUNDLE"

A one day workshop on "MEAN Stack Software Bundle" was organised by Department of CSE and CSI-Student Branch 15th March 2017 for all the B.Tech and M.Tech students. This workshop was inaugurated by Prof.V.S.R.K.Prasad, Principal, ANITS and was presided over by Prof.S.C.Satapathy, HOD, Department of CSE. The resource person is Sri Verma Bhupathi Raju, Entrepreneur.

WORKSHOP ON "MOBILE HACKING"

A one day workshop on "MOBILE HACKING" was organised by Department of CSE and CSISudent Branch 15th March 2017 for all the B.Tech and M.Tech students. This workshop was inaugurated by Prof.V.S.R.K.Prasad, Principal, ANITS and was presided over by Prof.S.C.Satapathy, HOD, Department of CSE. The resource person is Sri Anand, Founder, Star Computers.

WORKSHOP ON "PARALLEL APPLICATION DEVELOPMENT TECHNIQUES"

A six-day workshop on "PARALLEL APPLICATION DEVELOPMENT TECHNIQUES" was organised by Department of CSE and CSISudent Branch from 8 th August 2016 to 12th August 2016 for all the B.Tech and M.Tech students. This workshop was inaugurated by Prof.V.S.R.K.Prasad, Principal, ANITS and was presided over by Prof.S.C.Satapathy, HOD, Department of CSE. The resource person is Mr.S.Ratan Kumar, Associate Professor, Dept. of CSE, ANITS.
