Consolidated Action Taken report on feedbacks by Stakeholders for the academic year 2023-24

Stakeholder	Suggestions	Action Taken
Students	<ol style="list-style-type: none">1. DAA: Maximum topics are repeated from CP.2. EOP: It is better if libraries like NumPy and Pandas are added.3. Need to add more popular frameworks like Django, ReactJS.	<ol style="list-style-type: none">1. According to these suggestions done modifications in the syllabus and included in 2nd year sem-1 for R-23 regulation.2. As per the suggestions we will look into the possible ways to include those libraries in upcoming regulation.3. Organized value-added course on ReactJS for the benefit of students.
Faculty	<ol style="list-style-type: none">1. Some application concepts must be included for the purpose of projects in NNDL.2. In design and Analysis of Algorithms, if possible, lab session needs to be added for implementation part.3. Need to reduce the syllabus of DSA. It is difficult to complete within stipulated time.4. Syllabus is vast in CO. Need to be reduced and more specific on important topics.	<ol style="list-style-type: none">1. Some practical aspects of NNDL are included in machine learning lab syllabus in R-23 regulation.2. As per the suggestions the same is reflected in the DS and CP Lab.3. AS per the suggestions refinement is done in R-23 regulation to cover the syllabus in the given lecture hours.4. As per the suggestions CO and MP are combined by considering the important topics which can be covered in the given lecture hours.

Alumni	<ol style="list-style-type: none"> 1. Better to have a /programming subject in second semester of first year 2. Addition of Angular, ReactJS, NodeJS 3. Better to include more advanced topics in Machine Learning, Neural Networks and Computer Vision syllabus if possible. 4. Include Mobile Application Development with Android. 	<ol style="list-style-type: none"> 1. As per the suggestion given by Alumni we included Programming languages like C in Sem-1 of first year, C++ and Python in sem-2 of First year. 2. We planned to incorporate in the form of Value Added courses and workshops. 3. Included as Professional electives in final year. 4. Included as Professional electives in final year.
